No Guns Please, Starbucks Tells...

Wednesday, September 18, 2013
 The coffee giant has been wrongly portrayed, it says, as being a champion of "open carry" laws. Now it's asking customers not to bring weapons to its shops.

Home Care Workers To Be Included...

Wednesday, September 18, 2013
 There are about 2 million home care workers in the U.S. But currently they are not covered under minimum wage and overtime laws. That will change in January of 2015 under new regulations announced by the Obama administration.

Should It Take 2 Or 3 Years To Earn...

Wednesday, September 18, 2013
 President Obama, a Harvard Law grad and former law professor, has suggested that students can learn all they need to take the bar exam in two years. That would save them tens of thousands of dollars. But it would also cost
